

*It's Your Property...
Don't Settle For Ordinary*

YOUR VISION

Your home is more than just a space. It's where you raise a family. It's where friends gather, and seasons come and go. It is a living, breathing picture of your life. With our diverse and flexible range of outdoor living solutions, Amtech can help you bring any vision to life.

OUR MISSION

Amtech proudly stands behind our products by providing dedicated support, superior customer service and product warranties that feature some of the most comprehensive coverage in the industry. We are confident the craftsmanship and quality of our products will outperform all other leading brands.

OUR PRODUCTS

- Modern Designs
- Easy Installation
- No Fading
- Minimal Maintenance
- Lifetime Warranty
- Variety of Style Options

Cypress Boardwalk

TimberGrain Largo in Brazilian Blend

StaySquare®

The StaySquare patented gate design with gate pockets, provides structural integrity that decreases sagging and bending over the years.

SolarGuard®

SolarGuard is a material composition that provides fade resistance* so that your fence products will look good for years to come.

StayStraight®

StayStraight is a unique material composition within vinyl fence rails that provide structural durability helping to decrease bending or sagging over time.

Boulder

The unique style of the Boulder molded fence uses our patented design to create a realistic stone appearance. This privacy fence is impact resistant, and also creates an excellent sound barrier – giving you even more seclusion in your backyard.

Gray Granite Boulder

Brown Granite Boulder

Breckenridge

Extremely durable and beautiful, the Breckenridge molded fence with the appearance of realistic wood provides all the beauty of a natural wood fence without the maintenance.

Walnut Brown Breckenridge

Bufftech®

Bufftech fence products set the standard for the latest innovations in decorative privacy. Their TrueTexture™ finish is molded from real wood and stone to deliver the most authentic look available today. Bufftech is virtually maintenance-free, and never needs staining or painting.

TIMBERGRAIN

TimberGrain Molded from the texture of real wood, TimberGrain vinyl fence mimics the natural grain of wood without the associated maintenance and wear. Precision routing, heavyweight pickets, and internal reinforcement provide a sturdy, clean-looking fence available in four distinct colors that never need to be sealed or stained.

Arctic Blend Newbury

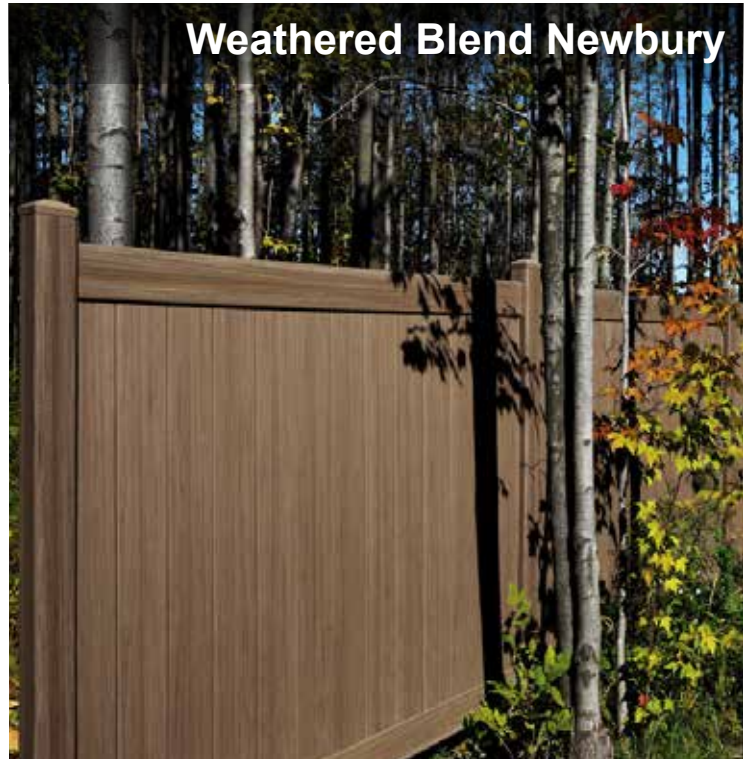

Brazilian Blend Newbury

Sierra Blend Newbury

Weathered Blend Newbury

Bufftech®

Bufftech's darker colors and stain blends feature a state-of-the-art acrylic formulation that provides superior protection from the harsh rays of the sun. Bufftech fencing products feature an exceptional lifetime limited warranty.

EXECUTIVE ALUMINUM FENCE

Introducing **EXECUTIVE ALUMINUM PRODUCTS!**

Our newest fence line is designed with a mix of classic and modern style. By combining distinctive design with enduring quality, Executive Aluminum brings a sophisticated aesthetic to any outdoor space.

Within the Executive line, **SYNERGY** offers a fresh mixed-material option, pairing a durable aluminum frame with sleek vinyl infill for a bold, contemporary aesthetic. It's a refined combination of strength and style designed to stand out.
